

**Access Consciousness Bars™ course with
Crystal Ra Laksmi (Estonia, Mexico)**

**20th of June
10 am – 5 pm**

In Oxnard, California

Access Bars™ is a transformation toolbox which expands your consciousness and ability to start to choose for your ultimate life dissolving all the limitations in many areas of your life. All what is needed is an ability to receive. For YOU.

**Do you remember the last moment in your life when you were totally relaxed
and nurtured and cared for?**

**Or has it been a little too long since you received
healing and kindness without any judgment for your body or your being?**

What about more joy and fun?

What about more money? What about more clarity about your life and yourself?

What about ease and glory?

The first class in Access™ is The Bars. Did you know there are 32 points on your head which, when gently touched, effortlessly and easily release anything that doesn't allow you to receive? These points contain all the thoughts, ideas, beliefs, emotions, and considerations you have stored in any lifetime. This is an opportunity for you to let go of everything! Each Bars session can release 5-10 thousand years of limitations in the area of your life that corresponds with the specific Bar being touched. This is an incredibly nurturing and relaxing process, undoing limitation in all aspects of your life that you are willing to change!

How much of your life do you spend doing rather than receiving?

Have you noticed that your life is not yet what you would like it to be?

**You could have everything you desire and more if you are willing to receive lots more and
maybe do a little less!**

Receiving or learning The Bars will allow this and so much more to show up for you! The Bars has assisted thousands of people change many aspects of their body and their life including sleep, health and weight, money, sex and relationships, anxiety, stress and so much more! **Available now in 173 countries!**

At worst you will feel like you have just had the best head massage of your life.

At best your whole life can change into something greater with total ease.

Taking The Bars™ class is a prerequisite for all Access Consciousness™ Core Classes as it allows your body to process and receive the changes you are choosing with ease. After 3 classes with different Bars Facilitators, you can become one yourself.

How can it get better than this?

Are you willing to choose for you?

Are you willing to RECEIVE?

How much fun are we gonna have together?

You will be given materials (by email). At the course you get your head chart, course certificate, and snacks and healthy drinks. You have to take your own lunch with you.
